## *Utility Cleaner*

### **One Product Does All...**

- Cleans, Shines and Polishes:
- Stainless ● Steel ● Formica
- Chrome ● Plexiglass ● Glass
- Woodwork ● Cabinets
- Or Any Hard Surface

A unique formulation of solvents, cleaning chemicals and surfactants that work together to provide a product powerful enough to satisfy most every day cleaning needs, yet mild enough not to damage painted surfaces.

One product does it all! Cleans stainless steel, formica, chrome, plexiglass, glass, woodwork, cabinets, vinyl, porcelain, and most any other hard surface.

Removes grease, fingerprints, dust, floor wax, etc. Ideally suited for printing industry for cleaning presses, plates, copy cameras, light tables, etc.

### **DIRECTIONS**

Shake well before using. Remove cap. Hold can upright six to eight inches from surfaces to be cleaned. Spray sparingly in sweeping motion. Polish with clean, dry cloth or paper towel.

### **CAUTION**

Contents under pressure. Do not puncture container. Do not store at temperature exceeding 120° F. Do not incinerate or spray into open flame. Avoid contamination of food. Do not spray into eyes.

**KEEP OUT OF THE REACH OF CHILDREN**
