

# OPEN WIDE

## *Non-Acid - Lemon Scented Drain Opener & Maintainer*

Penetrates clogging masses, converting them to soft pulp that flushes through the system - cleans and clears clogged drains.

Removes organic matter, grease, paper, hair and lint.

Harmless to plumbing and septic systems, when used as directed. It should not be used in garbage disposals.

### **Directions For Use**

*Caution:* Should not be mixed with or added to any other chemicals.

*For Clogged Drains:* Slowly pour 14 ounces directly into drain opening. Let stand for 15 minutes. Flush drain with plenty of hot water. If necessary, repeat application and let stand 45 minutes. Badly clogged large industrial drains may require several treatments, and allow to stand overnight before flushing with water.

### **For Sluggish, Slow Running Drains**

Pour 7 ounces slowly and directly into drain. Repeat procedure two or three times at 15 minute intervals. After last application, rinse drain thoroughly with hot water.

TO CONDITION DRAINS, PREVENT BUILD-UP OF CLOGGING MASS - SEVEN OUNCES IN EACH DRAIN WEEKLY KEEPS DRAINS FREE FLOWING and PROVIDES "ODOR POLLUTION" CONTROL.

### **Precautions**

Do not use this product in the presence of other chemicals in the drain. Do not use this product in garbage disposals, or porcelain enamel fixtures or in contact with aluminum parts or utensils. Drain and rinse bottles thoroughly with water before discarding. In the event of misuse, call a physician immediately. KEEP OUT OF THE REACH OF CHILDREN

### **Danger Poison**

Contain Sodium Hydroxide. Causes severe burns on contact. Harmful or fatal if swallowed. Rinse any spills immediately with plenty of water mixed with equal part of vinegar.

**Antidote External:** Flood skin with water for at least 15 minutes - then wash exposed area with vinegar and water in equal parts. If irritation persists, call physician.

**Antidote Internal:** Drink large quantities of water or milk followed with citrus juice or diluted vinegar. Call Physician immediately.

### **Antidote Eyes:**

Flush eyes immediately with water for at least 20 minutes - get prompt medical attention.

### **Contains:**

Sodium Hydroxide (CAS# 1310-73-2); Water (CAS# 7732-18-5); Surfactant (CAS# 9016-45-9);  
Fragrance
