

Orange Solvent

- ☞ Powerful, long-lasting orange fragrance that deodorizes as it dissolves grease, oil, tar, adhesives, graffiti, cosmoline and resins.
- ☞ Ideal for cleaning engine parts, tools, machinery, electric motors, walls, floors, lockers, tables, carpet, appliances, stainless steel and most washable surfaces.

DIRECTIONS

As a Drain Opener:

Pour in 10 oz. of ORANGE SOLVENT. Wait one hour, then flush with hot water. ORANGE SOLVENT quickly dissolves grease and soap scum buildup in drains, pipes and grease traps. DO NOT USE IN PLASTIC PIPES.

As a Cleaner for Floors and Equipment:

Mix 4 oz. of ORANGE SOLVENT per gallon of warm water. Spray or mop generously on floors or equipment. Allow ORANGE SOLVENT to work for 5 minutes. Rinse with clear water. NOTE: Because ORANGE SOLVENT is a powerful solvent, it may harm some plastic or painted surfaces. Test small area before using. Because ORANGE SOLVENT is an excellent grease solvent, it can remove natural skin oils from the hands. For this reason, rubber gloves are recommended to prevent chapping.

As a Grease trap and Drain Maintainer:

Mix 10 oz. in one gallon of warm water and pour into drains. Let stand overnight if possible. Flush with Hot water. Eliminates grease build-up in drain lines.

As an Odor Controller:

Mix 4 oz. of ORANGE SOLVENT per gallon of water. Pour or spray with sprayer in dumpsters, garbage cans, garbage trucks or other odor problems.

CAUTION: Combustible. Keep away from heat and open flame. Avoid contact with skin eyes. Do Not take internally. Refer to Material Safety Data Sheet for information.

FIRST AID:

EYES - Remove any contact lenses at once. Flush with water for at least 15 minutes. If irritation persists see a physician.

INGESTION - Do not induce vomiting. Rinse mouth with water, then drink one glass of water. Contact a physician immediately. Never give anything by mouth if victim is unconscious, is rapidly losing consciousness, or is convulsing.
